

Minutes of Kinnesswood Development Trust Meeting – 03.03.20

Present: Nicola Carmichael (minutes), Dave Morris, Elizabeth Porter, Alison Robertson, Norma Smith, Charlotte Vlasto

Apologies: Gordon Vance

1. Registration of Interest (The Lomond Inn)

Still no update appearing on Scotlist.

EP has registered a query to establish the nature of the amendment to the listing for the Lomond.

Final version of the Registration of Interest has been drafted.

We need to increase members to a minimum of 20.

ACTIONS:

EP to keep an eye on Scotlist for updates

EP to circulate the Registration of Interest document for comment (ALL please feedback by Monday 9th March)

EP to seek conversation with Andrew Sinclair to inform him of our interest in the site

ALL to speak to local friends and neighbours and encourage them to become KDT members at kinnesswood.org

2. Website / Logo / Strapline / Social Media:

Website: all set up and ready to go (thanks Gordon!)

Logo: logo design approved. Agreed strapline: "Growing our Community Together".

Facebook: NC in process of setting up a Facebook page

ACTIONS:

NC to ask GV if it's possible to get a black and white version of the logo from Cree8

ALL to provide any suitable photos for use as the cover page on Facebook (NS to ask Tom & Jane Turnbull)

3. Pop in Days at Kinnesswood Shop

Agreed the team will be in the shop on the 19th/20th/21st/22nd and 26th, 27th, 28th and 29th March to discuss ideas with people and sign up new members.

Gordon has drafted a postcard which can be put through all the doors in the KDT area.

Agreed 500 postcards would be plenty.

ACTIONS:

AR to get everyone's availability and draw up a rota.

NS to ask SG if she is happy to co-ordinate the door to door distribution of the postcard

EP to speak to the Buchans to confirm they are happy with the dates for our presence in the shop

EP to circulate the postcard for comments (ALL please feedback by Monday 9th March)

ALL we need to pull together a plan / briefing notes / oil consortium survey for the sessions at the shop

4. Sites of Interest

We discussed sites that we may consider registering an interest in.

EP has had a meeting with Bishopshire Golf Club. They are happy with our plans and the secretary will speak to the committee to discuss allowing us to use the clubhouse for a couple of daytime activities.

DM mentioned that there is an application to create a woodland area in Stephen's Field.

Other land of interest: the paddock in front of the B&B on Main Street, the "bee garden", the "urn field" at Kilmagadwood.

ACTIONS:

DM to feedback with the Community Council's written objection to the woodland at Stephen's Field.

NEXT MEETING Tuesday 17th March @ 2pm – Nicola's house
